Our Own Introductions

PIONEER CITY BONFIRE, Formal Decorative, 85+7 to 9 x 5 inches.

A seedling from "Girl of Hillcrest," one you will wish to grow. The color is given by Maerz & Paul as a bonfire red. Photo elsewhere in this list. Strong growing bush 4½ to 5 feet high with healthy leathery foliage, excellent stems, good centers and faces just right, good keeper when off the bush. It has been greatly admired in our garden. Only time shown in competition was at the recent Akron, Ohio, show where it captured the blue ribbon in the undisseminated class. A limited number of roots.

Root \$3.00 Net. Plants \$1.00.

**O. S. U., Informal Decorative
6 to 9 x 4 inches.**

A novel bloom showing two colors caused by the artistic curl and twisting of petals. Has the appearance of scarlet and gray, colors of Ohio State University. A student from O. S. U. visiting our garden, upon seeing this seedling at once suggested that it be named "O. S. U." It is very attractive and one I think you will like. Bush 4½ to 5 feet, strong insect resisting foliage, excellent stems and faces good.

Root \$2.00. Plants \$1.00.
